

**10TH MOUNTAIN DIVISION HUT ASSOCIATION
WINTER SUGGESTED EQUIPMENT LIST
PLEASE SHARE WITH ALL GROUP MEMBERS**

This list should be used as a guide in helping you prepare for your trip. Never travel in the backcountry unprepared. None of this equipment is helpful unless it fits, it works, and you know how to use it!

GENERAL EQUIPMENT

- Skis, snowshoes, or split snowboard (designed for backcountry)
- Boots
- Poles (large baskets preferred)
- Backpack
- Climbing skins
- Wax kit (including grip and skin waxes)
- Sleeping bag
- Headlamp and extra batteries
- Pocket knife
- Sunglasses
- Goggles
- Water bottles (widemouth) and insulated carrier
- Sunscreen and lip balm
- Food (be sure some food is edible without cooking, and that each person carries their own trail food)
- Avalanche transceiver, probe pole and shovel
- Cell phone and extra batteries/case (coverage is not guaranteed anywhere in the backcountry – keep your phone off until you need it)

PERSONAL CLOTHING (wool or synthetics - no cotton)
